Welcome Our Guest Speaker

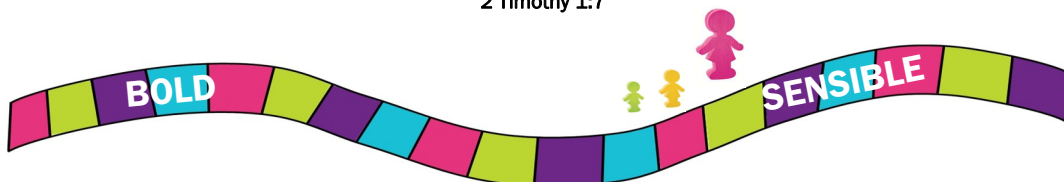

Dr. Joe Giaritelli is the Senior Pastor of Lawndale Baptist Church where he has ministered since 1999. He has served in a variety of vocational ministry positions ranging from Youth Pastor, Assistant Pastor and Associate Pastor of Single Adults/College Students, in Michigan, Texas and South Carolina.

We always begin our year with a message from our senior pastor to set our hearts and minds on Christ. We are so pleased to have Dr. Joe with us today.

For God has not given us a spirit of fearfulness, but one of power, love and sound judgment. (HCSB)

Better Moms Make a Better World

Coordinator's Comments

I heard someone once say that life moves fast, but once you have kids, it is like a snowball rolling down a hill – it gains momentum and seems to move even faster as it rolls. What a great analogy! This summer, my kids and I had a great time doing so many fun summer-time things. It started out steady, but once July came, I feel as though I blinked and it was gone. As we reflected on the summer, we listed all the wonderful

times we had, and I know that memories were made. I hope you have had a great, memory-making summer, too! I hope this year as you further develop your "Momsense," memories are made! I am looking forward to a great year with you at MOPS at Lawndale!
